📄SafePath - Privacy Policy & Terms and Conditions

🔒 Privacy Policy

SafePath is committed to protecting your privacy. This Privacy Policy explains how we collect, use, and safeguard your information when you use our application.

1. Information We Collect

- **Location Data:** We collect and process your GPS location to provide safe route navigation, emergency alerts, and nearby safe zone suggestions.
- **Personal Information:** Name, phone number, and emergency contacts are collected for SOS alerts and account features.
- **Device Data:** Limited device information may be collected to improve performance and security.

2. How We Use Your Information

- To provide emergency assistance and location-based services.
- To send SOS alerts with location details to your emergency contacts.
- To enhance safety features such as identifying safe and danger zones.

3. Data Storage and Security

- Your data may be stored locally on your device and, where necessary, on secure servers.
- We use encryption and security best practices to protect your information.

4. Third-Party Services

- SafePath may integrate with third-party APIs (Google Maps, OpenStreetMap, etc.) to deliver mapping and safety data.
- These services have their own privacy policies which you should review.

5. User Rights

- You may request deletion of your data at any time.
- You may disable location permissions, but some features will not work without it.

6. Children's Privacy

- SafePath is not intended for children under 13. We do not knowingly collect data from minors.

📜 Terms and Conditions

By downloading or using SafePath, you agree to these terms and conditions.

1. Use of Application

- You agree to use SafePath only for lawful purposes.
- You must not misuse the app for false emergency reporting or illegal activities.

2. User Responsibilities

- You are responsible for ensuring that emergency contact information is accurate and up-to-date.
- You are responsible for maintaining the confidentiality of your account details.

3. Disclaimer of Liability

- SafePath is a tool to assist during emergencies, but it does not guarantee absolute safety.
- We are not liable for any direct or indirect damages resulting from the use or misuse of the app.

4. Intellectual Property

- All content, trademarks, and designs of SafePath are owned by the developers unless otherwise stated.

5. Service Availability

- We do not guarantee uninterrupted access to the app or services.
- Features dependent on internet connectivity may not work offline.

6. Changes to Terms

- We reserve the right to modify these terms at any time. Updates will be posted within the app.

7. Governing Law

- These terms shall be governed by and interpreted under the laws of India.
